

Cookies & Other Storage Technologies

Cookies are small pieces of text used to store information on web browsers. Cookies are used to store and receive identifiers and other information on computers, phones, and other devices. Other technologies, including data we store on your web browser or device, identifiers associated with your device, and other software, are used for similar purposes. In this policy, we refer to these technologies as “cookies.”

We use cookies when you access any page on MyTrack website and partner-branded websites and apps, whether you are registered or logged in or not (hereinafter called the “MyTrack Solution”). This policy explains how we use cookies and the choices you have.

Why do we use cookies?

Cookies help us provide, protect and improve the MyTrack solutions, such as by personalizing content and provide a safer experience. While the cookies that we use may change from time to time as we improve and update the MyTrack Solution, they generally fall into the below categories of use:

Authentication

We use cookies to verify your account and determine when you’re logged in so we can make it easier for you to access to MyTrack’s solution and show you the appropriate experience and features.

Security, site and product integrity

We use cookies to help us keep your account, data and the MyTrack Solution safe and secure.

Site features and services

We use cookies to enable the functionality that helps us provide the MyTrack Solution.

Performance

We use cookies to provide you with the best experience possible.

Analytics and research

We use cookies to better understand how people use the MyTrack Solution so that we can improve them.

Where do we use cookies?

We may place cookies on your computer or device, and receive information stored in cookies, when you use or visit:

- The [MyTrack Website](#)
- The [MyTrack Platform](#), and any version of it.
- The Platform of partners using the same platform as our with another branding

Browser cookie controls:

In addition, your browser or device may offer settings that allow you to choose whether browser cookies are set and to delete them. For more information about these controls, visit your browser or device's help material.

The MyTrack Platform cannot work properly if cookies are refused by the browser.

Deleting cookies after closing the browser will reduce your overall product experience.
